[Unduh Base Coc Farming Everything 2016](#)

Click on the image or [here](#) to download this base layout You will probably come to a point where you have everything maxed.. After that, you are supposed to update the Dragons since they are grand in Clan Wars.. You ought to update Archer at first to skyrocket your attacking speed Undoubtedly, they are the best troops for attacking at all Town Hall levels.

10 archers hitting 1 collector can fail if archer towers n cannons are hittin them, but 10 goblins won't fail hitting the same collector while being hit by the same defences.. With level 2 Dragons, you will never miss the last star in Clan Wars On the off chance that despite everything you don't have Dragons in the wake of overhauling Archers, that is alright, simply update Barbarians and recollect to redesign your Dragons quickly once they are prepared.. And also u can still 3 star ppl using giants, wizards, wallbreakers, as long as you bring enough troops to kill Cc in war, and also receive max Hogs for your own Cc.

Long as u ignore trophies, goblins are proven to be the fastest for growth wise.. Actually archers are not the best choice for all TH levels to farm as u stated, Goblins actually are becuz their cheaper, faster, and when used with rage n heal your looting their dark storages and elix/gold storages fastest and Goblins actually work for all Th Levels unlike the archers as their slow, do little damage and their not able to push inward unless your facing only bases Th7 n below.. Best TH9 Farming Base All u need are some giants to tank for them, a couple wiz behind them and wallbreakers n then all goblins and ur set Also the 2nd troop someone should upgrade is not dragons, it should be giants to tank, concerning over War when someone's base isn't even rdy will set players back on growth Sure u can have dragon lv2 but what good is it if your not able to keep up your loot for it every War? That is why a player should always build up his base farming troops so that he can farm faster, better, easier and be able to withstand the expenses of the dragon cost.. Aug 29, 2016 - Kumpulan Formasi Base Town Hall 6 Farming Clash of Clans Terbaik Update 2016 - Base TH 6 Defense Trophy.. I've 3 starred countless of ppl in War that's Th7 while I was Th7 jus using those troops So by upgrading giants, and wizards 2nd and 3rd your actually getting a 2 for 1, Farming use And war use.
